REMARKS

Claims 10 and 23 have been amended to correct obvious typographical errors. Claims 24-60 have been added to claim N-[4-(3,4-dichlorophenyl)-1,2,3,4tetrahydronaphthalen-1-yl]formamide compounds, their methods of use, and processes of preparation. The new claims have full support in the specification as filed and are, furthermore, supported by the disclosure in the incorporated by reference provisional application USSN 60/411,304. Therefore, no new matter has been added.

CERTIFICATE OF MAILING
